

Integrated Math 7

COURSE SYLLABUS

Dear Parent/ Guardian and Student:

Welcome! The following information is provided to help you understand what your student will be learning and what is expected of them in the coming year. During the school day I will provide your students with the instruction and learning tools that they will need to be successful in this course. However, time in the classroom is short and the district guidelines are demanding. Therefore, I am counting on your help as well, to assist your student be successful after school hours.

In order for your student to be successful in this course, the following requirements must be met daily:

◆ **Required Materials:**

- iPad (charged and functioning)
- Completed assignments
- Two sharpened No. 2 pencils
- Standard lined notebook paper

◆ **Recommended Materials:**

- Graph paper
- High Lighters
- Colored pencils
- Spiral notebook

◆ **Expectations:**

- Complete assignments on time
- Work will be neat and legible
- Respect people, property and ideas
- Be on time to class
- Be prepared to learn
- Pass end-of-course (final) exam

◆ **Technology Use:**

- CALENDAR for organization
- CANVAS for assignments
- NOTABILITY for student work
- JUPITER GRADES

◆ **Homework Policy:** Students will be responsible for completing and checking their homework when we go over it in class. Late work is accepted, but at a reduced score. Please see me if you have difficulty.

◆ **Grading Policy:** Grades are assigned according to the total number of points a student has earned during each grading period. The following weights meet the department grading policy of 65% of grade from Assessments and 35% of the grade from practice.

Student Practice

- Class work - 10%
- Homework - 10%
- Class Participation - 10%
- Group Practice - 5%

Assessments

- Unit Exams - 40%
- Quizzes - 10%
- Formative Assessments - 5%
- End-of-Course (Final) Exam - 10%

- ◆ Students can be successful in this course by taking advantage of the following resources:
 - I hold tutoring in my class room after school for any students that have questions.
 - VALOR tutoring is available every day from 6:45 AM before school and 3:15 PM to 6:00 PM after school.
 - Students can email me, or use canvas to ask for assistance as well.
- ◆ If you have questions or would like to discuss your student's progress, please feel free to contact me:
 - Phone **619-628-5100**
 - Email edward.williamsii@sweetwaterschools.org
 - Visit the classroom with your student at a convenient time.

The year and specifically, this course, will undoubtedly be one of the most academically challenging your student has encountered. If we can work together in monitoring your student's efforts and progress I know this year will also turn out to be one of the most academically rewarding they have encountered as well. If you have any questions at all about this course, the materials, the expectations, or your student's progress, please do not hesitate to contact me.

Sincerely,

Eddie Williams
